

2024 TREATMENT NOTIFICATION

YOUR WATERBODY WILL BE TREATED WITH PESTICIDES TO CONTROL AQUATIC NUISANCES. Treatments are permitted by the Michigan Department of Environment, Great Lakes, and Energy (EGLE) before the work begins. The permittee is:

LakePro, Inc.
9353 Hill Road
Swartz Creek, MI 48473
810.635.4400

This letter serves as 7-45 day advance notice of the first treatment, as required by the Michigan Department of Environment, Great Lakes and Energy (EGLE) permit. You are receiving this notice because your home is in or within 100 feet of the area of impact.

Products & Restrictions:

Below is a list of the products LakePro **may** use to treat your waterbody, the corresponding water use restrictions, and approximate treatment dates.

Pesticide	Brand Names	Water Use Restrictions	Approximate Treatment Dates
